ITEM	DISCUSSION	ACTION
01	Site Safety/Security	
	<ul style="list-style-type: none"> • Construction traffic shall be limited during morning student drop-off and afternoon pickup hours. • Student Drop-off/Pickup: <ul style="list-style-type: none"> • Drop-off time is from 7:15 a.m. to 8:00 a.m. • Pickup time is from 2:30 p.m. to 3:15 p.m. • MV is responsible for protecting its work and equipment. • Working hours shall be from 7:00 a.m. to sunset when project resumes. 	
02	Administrative	
	<ul style="list-style-type: none"> • Requests for Information (RFI), Potential Change Orders (PCO), etc. shall be sent via email to SLR. • Pencil Payment Applications shall be sent via email to SLR for review and approval. SLR will review and provide comments if necessary. Once approved, email signed and notarized copies to SLR for sign off. Mail original copies to SLR's Cheshire office. • Payment Application No. 6 was approved at this meeting. 	

03	Submittals	
	<ul style="list-style-type: none"> • Electronic copies of all submittals shall be emailed to SLR. • MV is to provide a submittal log to SLR. • SLR has processed 18 submittals to date. 	
04	Project Progress and Look-Ahead	
	<ul style="list-style-type: none"> • Storage tank was installed last week. The pump will be delivered to MV's shop within next week (May 9, 2022). MV will schedule a crew to finish that install once it lands. • Irrigation system is ready to run. MV must locate three valves on the soccer field that are stuck in the 'on position' preventing the new system to run on the baseball field. MV will be on site tomorrow (Friday, May 6, 2022) to find the valves. • First round of topdressing was completed last week at the baseball and soccer field. • New sod was fertilized last week. • Crafc0 mobilized to the site this past Monday. One delivery truck arrived early, so MV moved the truck inside the "circle" next to Crafc0's storage trailer. This didn't appear to impact the drop-off. All deliveries are now on site. • The long jump and pole vault runways have received the rubber base mat. • Paving the base mat for the track has begun. Their plan is to get half of the base mat paved today and a straightaway done tomorrow. • The weekend forecast is not favorable for paving. Crafc0 will be unable to pave Saturday, so they will be back Monday to finish whatever paving is left to do. • The current plan is to spray the color coating on the track at the end of next week. If all goes according to plan, Crafc0 will have the track complete and cleaned up by the end of next week. • Line striping is scheduled to occur the week of May 16. 	
05	Progress Meetings	
	<ul style="list-style-type: none"> • The next project meeting is on May 26, 2022, at 3:00 p.m. at the East Hampton Town Hall.
