FOR IMMEDIATE RELEASE

Together, the Town Manager and the Town Council will be hosting the “Community Conversation for Visioning.” This will be an event where everyone in the community can share their ideas about what they want our community to be in the future. This event will be completely community driven and will be focused on our citizens’ wants and needs. Your involvement is critical to our success.

The Town is forming a coalition to help with planning and development for this exciting initiative. We aspire to have a coalition that is a diverse group in age, ethnicity, gender and background. We hope you will join us. There is space for everyone who wants to be involved. To learn more and sign up for the coalition please call Cathy Sirois at 860-267-4468. The first Coalition meeting will be Thursday, March 14, 2013 at 5:00 p.m. in the Town Hall meeting room.
