Fall Event Planning – Discussion

Open Studios – Should we invite artists to come to a meeting to discuss what they might like to do. Mindy suggested we could have a reception afterward so artist could meet each other and discuss how things went. Date to be set at next meeting.

Commissioner Report – East Hampton Historical Society – Shirley reported that the Sunday walks by Marty Podskoch are so popular. Podskoch has created a Facebook Events page. There was discussion on whether or not that might be used to publicize and encourage interest for our commission.
