

TOWN OF EAST HAMPTON
CLEAN ENERGY TASK FORCE
REGULAR MEETING
TUESDAY, APRIL 13th, 2021
6:00 PM
MEETING VIA ZOOM

Minutes

Present: Martin Podskoch, Chairperson Kye Amtmanis, Lorry Belanger, and Paul Wisniewski.

Absent: Cynthia Singer and Kurt Reichenbach

Call to Order: The meeting was called to order at 6:04 P.M. by Chairperson Amtmanis.

Approval of Minutes:

- a) **Regular Meeting of March 1st, 2021:** *A motion was made by Ms. Belanger, seconded by Mr. Podskoch, to table the March 1st, 2021 regular meeting minutes. Voted 4-0 in favor.*

Public Remarks: None.

Presentation: None

Communications: There was an email sent out by John Hall informing the members that the planned renovations for the power plant down the river was called off. There should be a plan to promote and spread the awareness of clean energy. The members discussed planning programs and starting projects in town that spread the word about clean energy. These programs and projects could help bring clean energy to town and to the citizens. John Greeno could help the commission members with setting up the projects and programs. It was suggested that the programs should be held during the Spring and Fall months. The members would need to start forming the programs during the summer to be ready for the fall months. It was suggested to get some clean energy companies involved in the programs. This could get the company names out in the community and spread more awareness. Articles advertising the programs would be submitted to the local newspapers to promote and spread the information. A copy of a letter about the clean energy programs would be signed off by the Town Manager before mailing it to the residents of the town.

- a) **Town Staff Report:** None

Old Business

- a) **Discussion of Potential Plans to Further Energy Efficiency and Green Energy:** Clean the Lake Day is being held on Saturday the 24th. The members suggested getting more

people involved in the event. The members discussed other events that could be held to promote clean energy. The annual national electric car show event is held during September. It was suggested to start up the car show again. This event could spread more awareness of electric cars and to show other options possible.

New Business: None

Public Remarks: None

Adjournment: *A motion was made by Mr. Podskoch, seconded by Ms. Belanger, to adjourn the meeting at 6:24 P.M. Voted 4-0 in favor.*

Respectfully Submitted,
