**Old Business:**

**Logo/Facebook/Website:** The logo will be the existing Town logo with a sub heading for the Task Force. A Facebook page has been set up but no posted to or published live as of yet.

**Possible Programs for 2018:** The lack of state programs was discussed, along with the green bank shut down and the Governor's taking of half the energy efficiency fund by executive order. A possible town facility audit was discussed; these are typically free, but then any improvements that would be identified as helpful to the town would need to be made as a capital expenditure through Town Council, which might be a hard sell this budget year.

Eversource is running their home energy audit program still; a press release reminding citizens of this service could be put in the Rivereast. There was discussion of sponsoring or partnering with a company to do the audits, with a possible presentation at Angelico's or another local venue.

**Green Car Show, Sept. 8, 2018:** Chairman Petrone will solidify with Mr. Hall the date and the availability of Sears Park. The show will be 12:00 – 4:00 with a rain date of Sun., 9/9.

The format will be the same as last year. Vendors, dealerships, musicians, and businesses will be contacted once the date is verified. A save the date will be put in the Rivereast as well. There was discussion on joining forces with Portland for this event.

**Public Remarks:** None

**Adjournment:** *Mr. Podskoch moved and Mr. Gay seconded to adjourn the meeting at 6:40 P.M. Voted 4-0*
