**Approvals:**

- a. Minutes of Regular Meeting: March 9, 2023:** *A motion was made by Mr. Solomon, seconded by Mr. Podskoch, to approve of the March 9, 2023 regular meeting minutes as submitted. Voted 7-0 in favor.*

**Public Remarks:** None

**Communications and Liaison Reports:** Ms. Lobo's article went into the latest issue of the Events magazine. The members discussed other articles for the commission to draft for submission to the Events magazine and the Rivereast. It was suggested to write an article about the lake staying open during the summer for the past two years because of the aeration system. The article should include the activities and events on the lake. There was a suggestion to write a reminder article about fertilizer use on lawns in the lake front and watershed areas. Add the fertilizer article to the town website, the commission's webpage, and use social media to spread the articles.

**Presentation:** None

**Plan Reviews:** None. There is a plan coming for Spellman Point to rebuild a house in the same footprint as the existing house.

**Watershed Project(s)/Federal Funding Update:** The projects are moving forward and are on schedule for spring. The members briefly discussed the project at Paul's and Sandy's and what is happening with the project at O'Neil Brook.

**Old Business**

**a. Sub-Committee Report on Education/Lake Smart Program Sub-Committee**

**Update:** There were no properties to review for the Lake Smart program. It was suggested to write an article about being Lake Smart to remind residents of the program.

**b. Advisory Panel Update:** There is no update for this item.

**New Business:** There was an email from John Tucci stating that he plans to visit the lake next week to take DL readings and oxygen levels in the lake. The invasive plants application is still on going.

**Public Remarks:** None

**Adjournment:** *A motion was made by Chairman Yenknier to adjourn the meeting at 7:25 P.M. Voted 7-0 in favor.*

Respectfully Submitted,
