### *Welcome!*

*We are an official town commission composed of seven volunteer members from the community. We meet on the second Thursday of the month at the Senior Center. We invite you to attend and bring your ideas, concerns, energy and enthusiasm.*

- ❖ To be a voice for the East Hampton Community of older adults.
- ❖ To promote active participation by older adults in the life of the East Hampton Community as well as to provide ongoing supports for the programs and services of the Senior center.
- ❖ To identify the most current trends and issues that drive the development of innovative services that can be applied to East Hampton's older adults and to continuously study and analyze their ever changing needs.
- ❖ To research, identify and secure funding sources for the town's older adults.
