# No Zone Change

## About this petition

As a resident of East Hampton, Connecticut, in regard to the application of Atlantis Marketing for a change from R-2 to C zone for property located at 157 Main St, 1 Colchester Ave and 5 Colchester Ave, I hereby protest the approval of such a zone change.

Comments: Commercial incursion into East Hampton's residential zones has got to stop!  
Zoning regulations exist to protect property owners and allow them "quiet enjoyment" of  
their investments. Installing a 4,500 mega-mart at the corner of historic Main Street,  
within the Belltown National Register Historic District, is anathema to East Hampton's  
zoning regulations as well as our Plan of Conservation and Development. Commissioners  
of Planning and Zoning...please do your duty and vote "NO!"

Comments: This type of business does NOT belong in a neighborhood. It shouldn't be allowed in our small town at all. We have plenty of gas stations. The one on RT.66 is a big one. We absolutely don't need another.

Comments: The zoning regulations are in place for a reason and should not be changed! A gas station recently opened on Main street. Why is another oversized station (less than a quarter mile away) in a residential area needed? This will NOT benefit our town of East Hampton. Town officials, please support us; the people who depend on you as our representatives.

# No Zone Change

## About this petition

As a resident of East Hampton, Connecticut, in regard to the application of Atlantis Marketing for a change from R-2 to C zone for property located at 157 Main St, 1 Colchester Ave and 5 Colchester Ave, I hereby protest the approval of such a zone change.

Comments: Our town deserves better than to be used to line the pockets of out of town developers who don't care about anything except making money. Our town has a soul and Atlantis Management Group is trying hard to chip away at it. Their plan to plop a gigantic gas station right in the middle of a residentially zoned neighborhood is abhorrent. It would change the integrity and history of East Hampton forever. Homeowners in residentially zoned areas should not have to worry about gas stations that are currently residentially zoned flipping the zoning and encroaching upon their homes. Residential MEANS residential.

The zoning regulations are in place for a reason and should not be changed! A gas station recently opened on Main street. Why is another oversized station (less than a quarter mile away) in a residential area needed? This will NOT benefit our town of East Hampton. Town officials, please support us; the people who depend on you as our representatives.

This type of business does NOT belong in a neighborhood. It shouldn't be allowed in our small town at all. We have plenty of gas stations. The one on RT.66 is a big one. We absolutely don't need another.
Margaret Faber
Apr 02, 2021
Commercial incursion into East Hampton's residential zones has got to stop! Zoning regulations exist to protect property owners and allow them "quiet enjoyment" of their investments. Installing a 4,500 mega-mart at the corner of historic Main Street, within the Belltown National Register Historic District, is anathema to East Hampton's zoning regulations as well as our Plan of Conservation and Development. Commissioners of Planning and Zoning....please do your duty and vote "NO!"
