NOTICE OF SITE WALK

Date: May 9, 2023 (Tuesday)

Location: 102 Quiet Woods Rd – Map 14/Block 32/ Lot 3A

Time: 5:00 P.M.

1. Site Walk for the following application:

IW:23-009: Scott Sanicki, 102 Quiet Woods Rd, Construct a 6' x 6' x 3' concrete base, install electrical lines, and conduct other activity in the Upland Review Area to support the installation of a residential water wheel installation.

The purpose of the site walk is to explain the proposed project and potential environmental impacts and discuss the data and studies to be provided in its upcoming application to the Federal Energy Regulatory Commission for a 10 megawatt exemption for the Quiet Woods Water Wheel Hydroelectric Project
