**Short description to the wetlands application of Cary Gagnon re parcel 03A-44-23F.**

I have owned parcel 23F for the last 25 years and would like to put in a trail for recreational use.

I feel that this project is important now with the limitations we all undergo due to Covid. The trail is minimal intrusive and would provide a great recreational use for my family and the neighborhood.

A handwritten signature in blue ink, appearing to read 'Cary Gagnon', is written in a cursive style.
