**Re: Unpermitted Work in Upland Review Area
152 West High Street**

Dear Ms. Perron & Mr. Gionfriddo,

It has come to my attention that a new parking area has been installed at your home at 152 West High Street.

This parking area lies within 100 feet of a wetland area and in accordance with Section 22a-42a of the Connecticut General Statutes any work involving the deposition of material within the Upland Review Area requires a permit. I have included Section 6 of the East Hampton Wetlands Regulations with this letter dictating the need for a permit.

Please contact my office as soon as possible to apply for the proper Inland Wetlands Permit.

Sincerely,

Jeremy DeCarli
