Christine,

We are writing to request that you remove us from the December 2019 public hearing portion of our application, ZBA-19-012. . The application is for a variance to reduce the side yard setback in order to construct a two car garage at 43 Smith Street. As a result of the October meeting, we have been working on a revision to our hardship statement regarding a change in zoning laws. We do not have the sufficient time right now to make sure we have covered all basis to provide you with the necessary documentation by the deadline for the December meeting.

We do understand that if we decide to submit a new application in the future we will be subject to a new application fee.

Thank you.
