Christine,

We are writing to request an extension that the public hearing portion of our application, ZBA-19-012, be moved to the December 2019 meeting. The application is for a variance to reduce the side yard setback in order to construct a two car garage at 43 Smith Street. Based on the results of the October meeting, we are working on a revision to our hardship statement. We will not be able to complete the necessary research in order to make the deadline for the November meeting.

Thank you for your consideration.

Randall and Diane Rushin
43 Smith Street
