**Re: Unpermitted Work in Upland Review Area
48 Pine Brook Road**

Dear Mr. & Mrs. Cooke,

It has come to my attention that the driveway leading to your home at 48 Pine Brook Road has been resurfaced with a material which appears to be millings.

This driveway lies within 100 feet of Pine Brook and in accordance with Section 22a-42a of the Connecticut General Statutes any work involving the deposition of material within the Upland Review Area requires a permit. I have included Section 6 of the East Hampton Wetlands Regulations with this letter dictating the need for a permit.

Please contact my office as soon as possible to apply for the proper Inland Wetlands Permit.

Sincerely,

Jeremy DeCarli
