Good Morning Jeremy -
I'm not sure if I'll be able to make it to the meeting on Wednesday, so I'm hoping you might pass along my support to the council. Thanks very much! -Brian

Good Evening -
My name is Brian Holdt, and I am the owner of AirLine Cycles bicycle shop in the Village Center. I'm writing to most enthusiastically support the proposed 'Dexter's Tunes, Tales, & Ales' business in the Village Center. I think the business would be a welcome addition to the Village, bringing new visitors to the downtown, and thereby supporting the other existing businesses.

The fact that the fine folks at Fat Orange Cat Brew Company are involved should make this a slam dunk - they have brought so much positive energy and attention to the town! They are a tremendous support to the other businesses in town, and have been a wonderful partner with the AirLine Cycles/Stage 1 Racing team. Their support helps us bring several cycling races to town, helps us support a junior race team and cycling clubs at both the middle school and the high school, and helps us succeed as a shop. Fat Orange Cat is great for East Hampton, and this new venture will continue their great work.

Thank you,
Brian Holdt
