AUTHORIZATION

We, **EDGEWATER HILL ENTERPRISES, LLC, EDGEWATER HILL PROPERTIES, LLC, EDGEWATER HILL APARTMENTS, LLC AND EDGEWATER HOMES I, LLC** (hereinafter the “Companies”), owners of various components of the Edgewater Hill Mixed Use Community located at 138 East High Street, East High Street and at various addresses on Edgewater Circle, all in the Town of East Hampton, Connecticut, hereby authorize the law firm of Heller, Heller & McCoy to act as our agent in the submission of an application to the Town of East Hampton Planning and Zoning Commission seeking a text amendment to the text of Section 6.4(D)(3)(d)(3) of the East Hampton Zoning Regulations to alleviate the need for individual units within a Mixed Use Development District to interconnect to an available public water supply serving the Mixed Use Development District in the event that a waiver of such interconnection has been granted by the State of Connecticut Department of Public Health and the Chatham Health District.

Edgewater Hill Enterprises, LLC, Edgewater Hill Properties, LLC, Edgewater Hill Apartments, LLC and Edgewater Homes I, LLC each hereby further authorize the law firm of Heller, Heller & McCoy and the engineering/surveying firm of Boundaries, L.L.C. to represent their interests in all proceedings before the Town of East Hampton Planning and Zoning Commission with respect to said text amendment application.

Dated at East Hampton, Connecticut this 14th day of April, 2023.

AGENDA ITEM 5A

AMENDMENT TO SECTION 6.4(D)(3)(d)(3) OF THE EAST HAMPTON ZONING REGULATIONS

- d. **Performance Standards for MUDDs.** Any MUDD established pursuant to the provisions of this Section 6.4 of the East Hampton Zoning Regulations shall satisfy the following minimum standards:
1. The MUDD shall contain a minimum of sixty (60) contiguous acres of land.
 2. The MUDD shall have direct access to a state highway which is classified as a Major Arterial Street pursuant to the provisions of Section 2.2 of these Regulations, which arterial street shall be utilized in the design of the MUDD as the primary point of ingress and egress to and from all uses within the MUDD for vehicular travel.
 3. All uses in the MUDD shall be served by public water and municipal sewer facilities; provided, however, that individual units within the MUDD shall not be required to interconnect to a public water supply in the event that a waiver of such interconnection has been granted by the State of Connecticut Department of Public Health and a well permit has been issued by the Chatham Health District.

East Hampton, CT 06424

Re: Application of Edgewater Hill Apartments, LLC, Edgewater Hill Properties, LLC, Edgewater Hill Enterprises, LLC and Edgewater Homes I, LLC to Town of East Hampton Planning and Zoning Commission for a text amendment to Section 6.4(D)(3)(d)(3) of the East Hampton Zoning Regulations

Dear Commissioners:

Please be advised that this office represents Edgewater Hill Enterprises, LLC, Edgewater Hill Properties, LLC, Edgewater Hill Apartments, LLC and Edgewater Homes I, LLC, the developers of the Edgewater Hill Mixed Use Community located on the easterly side of East High Street in East Hampton, Connecticut. Edgewater Hill is being developed by our clients, incrementally, substantially in accordance with the Master Plan for Edgewater Hill which was previously approved by the East Hampton Planning and Zoning Commission. The Master Plan for Edgewater Hill was formulated pursuant to the parameters contained in Section 6.4 of the Town of East Hampton Zoning Regulations and is a Mixed Use Development District, the development of which district is governed by the Edgewater Hill Master Plan.

Section 6.4(D)(3)(d)(3) of the East Hampton Zoning Regulations provides "All uses in the MUDD shall be served by public water and municipal sewer facilities." Edgewater Hill has been developed by extending both public water facilities and municipal water facilities within the infrastructure of Edgewater Hill as the development has proceeded easterly from East High Street.

Currently, Edgewater Circle has been extended in two (2) "dead-runs" currently terminating at (i) the Neighborhood at Edgewater Hill on the east side of the project and (ii) the East Hampton Town Hall on the west side of the project. ¹ All properties developed to date in Edgewater Hill obtain a

¹ The Salt Pond Apartments, approved by the Town of East Hampton Planning and Zoning Commission as a component of the Edgewater Hill Master Plan is currently under construction and will result in the further extension of the west leg of Edgewater Circle through the Salt Pond Apartments complex.

potable water supply from the water system maintained by The Connecticut Water Company with its storage and treatment system located in the adjacent Laurel Ridge neighborhood.

The next proposed phase of the Edgewater Hill development will result in (i) the interconnection of the two dead-end runs of Edgewater Circle finishing the loop road system which will interconnect the entire project with two means of ingress and egress and (ii) the construction of building TS-1, a multi-use building, in the Market Square section of the project.

The Applicants have been notified by The Connecticut Water Company that, at the present time, it has no capacity to provide a potable water supply to further development in the Edgewater Hill project. As a result of this notification, and to protect the substantial investment that the Applicants have in the development of the Edgewater Hill mixed use project, the Applicants have sought and obtained from the State of Connecticut Department of Public Health and the Chatham Health District a waiver of the regulatory requirement to interconnect (i) fourteen (14) proposed residential homes along Edgewater Circle in the next phase of the mixed use development to a public water supply and (ii) a waiver of the regulatory obligation to interconnect the proposed mixed use building known as “Town Square-1” to the existing public water supply maintained by the Connecticut Water Company in the Edgewater Hill project.²

In order to enable the submission of an application for re-subdivision for the next residential phase of the Edgewater Hill project to the Town of East Hampton Planning and Zoning Commission, it is necessary to amend the Zoning Regulations of the Town of East Hampton in order to accommodate the potential, under very limited circumstances, for the provision of potable water supplies on individual units in a mixed use development district by way of on-site potable water supply wells. Therefore, on behalf of the Applicants, we hereby submit an application to the Town of East Hampton Planning and Zoning Commission for a text amendment to the provisions of Section 6.4(D)(3)(d)(3) of the East Hampton Zoning Regulations.

Submitted herewith and constituting the application for text amendment are the following:

1. Original and nine (9) copies of the “Minimum Requirements for Submission of Application to Planning and Zoning Commission”, which has been completed and executed by each applicant.
2. Ten (10) drafts of the proposed revisions to Section 6.4(D)(3)(d)(3) of the Town of East Hampton Zoning Regulations. For ease of review by the Commissioners and Staff, we are submitting herewith the proposed revision in red-lined format highlighting the proposed language to be added to that section of the Zoning Regulations.

² It should be noted that, with respect to the mixed use building to be known as “Town Square-1”, that building will comply with the technical requirements of the current East Hampton Zoning Regulations due to the fact that the individual wells drilled for that building will, in and of itself, constitute a public water supply under the current statutory and regulatory framework defining public water supplies in the State of Connecticut.

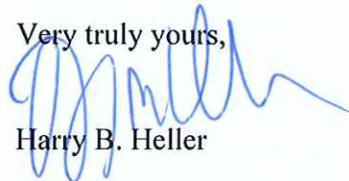

East Hampton Planning and Zoning Commission
Attn: Mr. Jeremy DeCarli, Director of Planning
April 19, 2023
Page 3 of 3

3. Nine (9) copies of the Town of East Hampton Planning and Zoning Commission Application Form executed by each Applicant and property owner.
4. Ten (10) copies of the List of Abutting Property Owners.
5. Ten (10) copies of the Planning and Zoning Fee Schedule completed for this text amendment application, together with a check in the amount of \$360.00 payable to "Town of East Hampton" representing payment of the application fee for the text amendment application.
6. An Authorization executed by each applicant authorizing the law firm of Heller, Heller & McCoy, as its agent, to file the text amendment application with the Town of East Hampton Planning and Zoning Commission and further authorizing the law firm of Heller, Heller & McCoy and the engineering/surveying firm of Boundaries, L.L.C. to represent their interests in all proceedings before the Town of East Hampton Planning and Zoning Commission with respect to the text amendment application.

Request is hereby made that you place this application on the agenda of the June 7, 2023 regularly scheduled meeting of the Town of East Hampton Planning and Zoning Commission.

Should you have any questions concerning the application, or need any additional information, please feel free to contact the undersigned.

Very truly yours,

Harry B. Heller

Re: Application of Edgewater Hill Apartments, LLC, Edgewater Hill Properties, LLC, Edgewater Hill Enterprises, LLC and Edgewater Homes I, LLC for a text amendment to Section 6.4(D)(3)(d)(3) of the East Hampton Zoning Regulations

Dear Jeremy:

Enclosed herewith please find a revision to proposed revised Section 6.4(D)(3)(d)(3) of the East Hampton Zoning Regulations which, I believe, captures the discussion which was held before the East Hampton Planning and Zoning Commission at the public hearing held on Wednesday, June 7, 2023.

You may accept the enclosed draft as the Applicants' suggested revision to the proposed text amendment language submitted to address the comments and concerns aired by Commission Members at the June 7, 2023 public hearing.

Should you have any questions, or wish to discuss the language with me, please feel free to call me.

Very truly yours,

Harry B. Heller

**AMENDMENT TO SECTION 6.4(D)(3)(d)(3) OF THE EAST HAMPTON ZONING
REGULATIONS**

- d. **Performance Standards for MUDDs.** Any MUDD established pursuant to the provisions of this Section 6.4 of the East Hampton Zoning Regulations shall satisfy the following minimum standards:
1. The MUDD shall contain a minimum of sixty (60) contiguous acres of land.
 2. The MUDD shall have direct access to a state highway which is classified as a Major Arterial Street pursuant to the provisions of Section 2.2 of these Regulations, which arterial street shall be utilized in the design of the MUDD as the primary point of ingress and egress to and from all uses within the MUDD for vehicular travel.
 3. All uses in the MUDD shall be served by public water and municipal sewer facilities; provided, however, that not more than 14 dwelling units on individual lots within the MUDD shall be relieved of the obligation to interconnect to a public water supply in the event that a waiver of such interconnection has been granted by the State of Connecticut Department of Public Health and a well permit for each such lot has been issued by the Chatham Health District.
