Map 34/Block 92/Lot 3
East Hampton, CT 06424

Dear Mr. Zovich,

Pursuant to Section 4 (C) (2) of Public Act 96-157, you are hereby approved to conduct your activities within the Upland Review Area at **164 Daly Road, Map 34/ Block 92/ Lot 3**. The conditions of approval are that **Erosion & Sedimentation Controls including silt fence and/or hay bales with stakes around the perimeter of all construction related work areas are to be installed prior to construction; you must notify Town Staff prior to commencement of activity; and Town Staff must be advised upon completion. This approval is contingent upon and it is your responsibility:**

1. **To publish this approval (one time) in a newspaper that circulates in the Town of East Hampton within 10 days of the date of this approval.**
2. **To await a 15-day appeal period (15) days from the date of newspaper publication before beginning construction within the Upland Review Area.**

Failure to comply with these two requirements will automatically nullify this approval and conducting your activity would constitute a wetlands violation, which could result in a fine being imposed.

Attached for your consideration, convenience and potential use is a draft public notice advertisement that needs to be published once by you in a newspaper which circulates in the Town of East Hampton.

Please call the Land Use Department at 860-267-7450 **to advise when the notice has been published, which newspaper, and provide verification of the same.** If you have any additional questions, please feel free to call.

Sincerely,
