

STAFF REPORT

Application Type: 8-24 Review
Location: Road Acceptance – Wangonk Trail (13.46')

Facts of the Proposal:

- Princess Pocotopaug Association is requesting the Town take ownership of this small area (see attached map).
- Small portion of Wangonk Trail was never deeded to the Town.
- Area is approximately .01 Acre (13.46' x 25')
- Includes a catch basin that has historically been maintained by the DPW.
- Town will not incur any costs.

Staff Comments:

This is a small piece of the land that the Princess Pocotopaug Association has requested be taken by the Town.

DPW has historically maintained (including paving) this portion of the road.

Provides drive access to two properties.

Taking ownership of this piece of road makes good logical sense and is not inconsistent with the POCD.

Attached email provides background.
