The following is to document that as an abutting landowner to Helena Gatto-Supino,  
We are aware of the Setback Hardship Variance she is seeking to expand her deck on the  
rear of her home at 6 Brook Trail, East Hampton, CT 06424.

This deck is in no way will obstruct or take away value or use of our property. Let be known  
that I, Kirk G. Mertz, have no objection to the proposed deck and ask that the East Hampton  
Zoning Board of Appeals, grant Helena Gatto-Supino, permission to complete her proposed  
Deck project.
