Variance requested: Section _____ of the Zoning Regulations

Variance relates to: Setbacks: (Front / Rear or Side) Required: _____ Proposed: _____
Lot Coverage: Required: _____ Proposed: _____
Height: Required: _____ Proposed: _____

Description of the Project Car port between two buildings
Approx 10' on east side.

Strict application of the regulations would produce undue hardship because (Definition of a hardship on back):

Proposed Canopy will give the appearance that both
operations are connected.

The hardship created is unique and not shared by all properties alike in the neighborhood because:

Do not want to combine two parcels in the
event one operation is owned by another company
