Electrical Line (Buried)
Runs to CLP Pole 1830
Actual Location to be
Determined in the Field.

Electrical Meter Pedestal
Actual Location to be
Determined in the Field.

This map has been produced by the Town of East Hampton for the purpose of depicting the location of the easement. It is not a class A-2 survey and was not prepared by a licensed Land Surveyor. The scale is accurate, but the property lines have not been located. Actual easement area and location of shed must be located in the field. Property lines are taken from the GIS map produced by Tighe and Bond. Topography data is taken from the State of Connecticut.
