Re: Application ZBA - 22-002

Dear Mr. DeCarli:

I write in reference to the above captioned matter. As we discussed earlier, my client is requesting a continuance of the public hearing scheduled for May 9, 2022, until the Board's next meeting of June 13, 2022. The reason for the request is my client needs additional time to make appropriate revisions to its plans as suggested during the public hearing phase of its application for variance.

Thank you.
