Dear Mr. Ray Zatorski and Members of the Planning and Zoning Commission,

As business owners in town, we both support the expansion and development of the Citgo Station and convenience store on Route 16. When you think about it, every dollar they pay in taxes is a dollar that the rest of us will not have to pay. We feel local businesses should all be supported....not just some, but all.

We've been in town going on 43 yrs. and the Citgo is good to have. We buy our gas there and stop in for convenience food items. Which by the way, is not any serious competition with the other shops further down Main St. I don't know if they sell gas or bread, milk, kleenex, or cheese etc,! Even if they do, what is wrong with a little competition?

The location is on the corner of a busy Rt. 16 highway and at the far end of Main St. If they want to expand a bit, what would be the problem? They've been there for decades and it's never been a problem before.

I've read that the "Strong" house (that they would like to knock down), has no more historic features due to extensive renovation. In fact, it's a bit of an eyesore in the condition that it's in. In past years, we have observed some very early, beautiful, truly historic homes knocked down in town with no opposition at all.

Respectfully,

Michelle and Jay Larson

We couldn't find an email address for P & Z,
So we printed out this email & sent "snail mail."
