

Re: Deck at 30 Edgerton St, East Hampton

We are planning on removing existing 10x12 deck and replacing it with 16x16 deck. I will be using same footings, and digging additional 4 footings to accommodate larger deck. Otherwise there will be no further disturbance to the area.

Sincerely

A handwritten signature in blue ink, appearing to read 'Andrew Piela', with a long horizontal flourish extending to the right.

Andrew Piela

Footings - 12"
Excavated dirt will be used for planting.
