RE 56 Spellman Point Rd East Hampton, CT

The purposed work to be performed at 56 Spellman Point Rd East Hampton will be to install a 16x32 Eco Therm aboveground pool. Aboveground pool location will be graded and dug down approximately 2 feet in the ground. All material will be removed from site during installation. The furthest distance that will be disturbed in the area is 3 feet around the pool location. Silt fencing will be installed around the rear area of the dig site.

Please let me know if you have any further questions

Thank you
