E.H. Planning Zoning

Please read into minutes of 12/2/2020 meeting

Dear Sir or Madame,

I welcome a change in zoning to allow for a small business to improve the currently vacant property at 9 Middle Haddam Rd, Cobalt.

There are a number of vacant properties in Cobalt/Middle Haddam in disrepair and an eyesore to those who are current property owners. Changing the zoning to allow for this improvement would be benefit to the neighbors and town.

It is time to accept the progress of the area and not wallow in what could have been. The interest in this type of area has diminished and we need to move forward.
