East Hampton  
Town Manager

CC. Jeremy DeCarli

Mr. Cox,

Thank-you for the opportunity to serve as a Planning & Zoning Commission member. It was a positive experience which allowed me to learn about the town while giving back to the town.

You have an outstanding Planning & Zoning Team lead by Jeremy, his experience and guidance are invaluable to the Commission.

Due to my recent move, I will be resigning my role as commission member effective as of today May 19, 2021.

Though I have moved out of East Hampton, I am happy to report two of my sons bought homes in town, moving their families to East Hampton. My son Greg and his wife just had twins two days ago, so net net you have not had a reduction in Puglielli's in town !

Good luck with all your future plans,

Tim Puglielli
