RE: Proposed installation of solar electric generating facility to be located off of Skinner Street (CT Route 196) in East Hampton, Connecticut

Mr. Foran:

I write on behalf of CP East Hampton Solar I, LLC and CP East Hampton Solar II, LLC, wholly owned subsidiaries of Citrine Power, LLC (collectively "Citrine"). Citrine intends to file with the Connecticut Siting Council ("Council") a petition for declaratory ruling ("Petition") that a Certificate of Environmental Compatibility and Public Need is not required.

The Petition addresses the construction, operation and maintenance of a 1.0 megawatt ("MW") alternating current ("AC") and a 0.975 MW AC ground mounted solar photovoltaic electric generating facility, both of which would be located off of Skinner Street (CT Route 196) in East Hampton, Connecticut ("Project"). The Project would be located behind 46 Skinner Street in an industrial zone. The Project area is undeveloped, privately owned, and totals approximately 14.93 acres. The Project would include the installation of photovoltaic modules, inverters and transformers, electrical lines and a perimeter fence.

As a developer of and investor in renewable power facilities, Citrine seeks out sites that are environmentally responsible and will meet its renewable energy generation objectives. Citrine has identified the Project to further such initiatives.

This letter serves as notice to you as an "appropriate municipal official and government agenc[y]" as that term is defined under § 16-50j-40 of the Regulations of Connecticut State Agencies. Citrine will file the Petition on or about March 6, 2020, and will request that the Council place the Petition on some future agenda.

You may review the Application at the office of the Council, which is located at Ten Franklin Square, New Britain, Connecticut, 06051, or at the Town Clerk's Office at the Town Hall in the Town of East Hampton. If you have any questions or concerns regarding this matter, please contact the undersigned at (203) 786-8317, or the Council at (860) 827-2935.

Very truly yours,

Jesse A. Langer
