

Letter of Support

With my below signature, I am giving my support for the zone change from residential to commercial for 5 acres of the 17-acre lot located at 9 Middle Haddam Road in Cobalt/East Hampton, CT. I am in support for this change, which would allow JCG Properties LLC (Jonathan & Christine Gustavson) to renovate the existing structure for the purpose of a Veterinary Hospital. I am a land owner and current resident of East Hampton, CT.
