Note - Connecticut Governor Ned Lamont and Democratic legislative leaders said they have reached a deal on a \$24.2 billion state budget package. Included in the package is a statewide mill rate cap for motor vehicles (MV) at 32.46. While the MV cap is 6.35% lower than the potential mill rate included in the Town Council approved budget for real estate and personal property taxes, MV tax revenue is anticipated to increase by 19.5%. The increase in revenue is primarily driven by an overall increase in MV values. A vote on the State budget package would be scheduled before the session ends next Wednesday, according to legislative leaders. The Town's Board of Finance will determine the final East Hampton mill rates after the Town's expenses are approved by voters.
