**5. Applications:**

**A. Application ZBA-21-005, Philip Rea, 63 Blue Heron Drive,** to reduce the side setback from 25' to 23' to construct a 12' x 16' deck Map 24/Block 64/Lot 20-11. Mr. Rea explained that his hardship is that his home is on a steep elevation and that when it was built the house was built further back to the rear of the lot to be able to put in a driveway. The original plan was for the abutters to share a driveway but that was changed to each having their own which reduced the size of his lot. The building plans that were originally submitted had a future deck but he was not able to build it at the time but is ready now and is requesting the variance to move forward with the project. There were 2 letters of support from 2 abutters. There were no public comments. Ms. Jacobson made a motion to approve Application ZBA-21-005, Philip Rea, 63 Blue Heron Drive, to reduce the side setback from 25' to 23' to construct a 12' x 16' deck Map 24/Block 64/Lot 20-11.
